Examiner's signature, if required

Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative discussed the 112 rejections of claims 24 and 27. It was agreed that the previously made 112 rejections would likely be overcome by the Applicant's proposed amendments, however any amendments submitted by the Applicant's would need to be reviewed for additional 112 issues. As for claim 24, Applicant representative discussed modifying the claim to recite that content is divided into a plurality of sections. It was agreed that this wording is an improvement, but further search and consideration would be required by the Examiner.
